Job Description: KMC is seeking a qualified candidate for its Technical Illustrator. The Illustrator will be responsible for creating drawings and technical diagrams of KMC equipment and machinery. Candidate will be required to set up operator's manuals and part's books. The Technical Illustrator will also be responsible:

- Preparing and developing other technical illustrations.
- Preparing diagrams and schematics for manuals and magazines.
- Creating logos and graphics for use in advertisements or on KMC's website.
- Creating 2D and 3D images.
- Using illustrations to communicate information of a technical nature.
- Assisting the Engineering Dept. in all need aspects of illustrations and designs.

Benefits: KMC has excellent medical and other benefits such as participation in KMC's Employee Stock Ownership Plan (ESOP). Salary is based on qualifications and experience.

Qualifications:

- Education Preferred: Degree in Drafting and Design
- Experience with Microsoft Publisher, Auto Desk Inventor and Auto Cad
